The Journey

Day 14 – Monday, September 18

The city, often called the Paris of Ukraine, got this name for a reason – once a princely state, part of the Austro-Hungarian Empire and then of the Polish Kingdom, today Lviv is a modern European city that has, nonetheless, preserved a very special ‘old-European’ feel.

Take a city tour on a retro train and discover more!

We strongly suggest you visit the Lviv Opera House – either for a show or simply to see the stunning interiors! Naturally, all the touristy attractions of Lviv are centrally located, but this doesn’t mean there aren’t things to explore beyond this realm! We’ll take you on another adventure, on a bus, where you’ll get to visit the famous Lychakiv cemetery, the old-new train station, incredible cathedrals and more! Buckle up!

Day 15 – Tuesday, September 19

Take advantage of the many suggestions we have for you today! Trust us, you won’t struggle looking for things to do – from the numerous themed restaurants and coffee shops to countless sightseeing and shopping opportunities, you will keep yourselves busy!

In the evening, enjoy one last zabava! And its going to be a good one!

If you have family in the area – we’ll be more than happy to arrange a visit for you! Contact us for details!

Day 16 – Wednesday, September 20

After a free morning to stock up on souvenirs we will transfer you to the airport where, sadly, we will have to say our goodbyes!

Thank you for travelling with Cobblestone Freeway!
