More than just a guide - they will be your personal travel host, along with your private driver and vehicle. Together, they'll make sure you get where you need to go, and be available to stop when you need along the way. Not to mention, they'll show you the best places to eat, and help you with all the small details, from using the bank machines to showing you where to find the best gifts at the market - and negotiating for the best price! They'll share the best of Ukraine, tell you about its history, and show you the modern Ukraine. And if there are any problems, they will make sure everything gets worked out. You're in good hands!*

After check-in and some free time to freshen up, we will provide you with a **city orientation**, so you will know the closest exchange places, ATMs, and best souvenir and convenience stores.
